

OCEAN VIEW HOME

Anchor Point is a place that always catches your eye. You can't see much from the fence aside from steeply pitched roof lines and strong dormer windows, but you know something special sits behind the garden gate. Once past it's gate, the intrigue plays out in nearly 3,300 sq.ft. of classic Cape Cod design that faces a wonderful water view over Ganges Harbour. The 1.6 acres just above the sailing club are substantially in a natural state, so privacy is ensured though maintenance is minimal. A home of character and charm.
