A HOME HIGH ON STYLE WITH STUNNING OCEAN VIEWS

This sun soaked home is a beautiful mix of contemporary and traditional on a private ridge offering ample privacy and stellar ocean views. Lines bend towards the breathtaking scenery from this dramatic home where quiet family living and inviting entertaining coexist in designer style. Nearly every room embraces a magnificent backdrop. Nearby, a newly finished separate studio provides exceptional workspace for professional or creative pursuits. At the end of the lane, there is a trailhead leading to hundreds of acres of protected parkland introducing residents to some of the area's best hiking trails. In all, this is an exceptional property for an active family, while equally a perfect place to relax.
